### Sustain™ Portable Power Device

Smaller storage capacity than the Impel, but with the same great functionality. Never run out of power with this multi-charging, easy to carry battery reservoir. USB, 12V, 16V and/or 19V output to charge nearly all types of electronic devices. A rubberized housing improves durability making it a boon for the outdoor go-getter.

**Price:** Available Feb. 2010

#### Features

- Water resistant
- Durable rubberized shell
- Weight: Less than 6 ounces
