Product Summary

Big Baby Box load centre by Midnite Solar. General use powder coated aluminum enclosure - holds up to 4 13mm wide din rail breakers from 1-63 amps.

Product Description

The Big Baby Box by Midnite Solar is a general use powder coated aluminum enclosure - holds up to 4 13mm wide din rail breakers from 1-63 amps.

The original [Baby Box](#)] has been a huge success in filling an industry need. We have created an enclosure called the Big Baby Box to over come the [Baby Box](#)]

smallness allowing for a ETL listed 4 position din rail box.

This box is about twice as wide as the [Baby Box](#)] giving you more wiring room. It also includes a ground box lug and mounting provisions for our short insulated bus bar as well as a ground bus bar. A dimensioned drawing is available (see below)

Big Baby Box Features... - Environmental Rating - Type 1 (Indoor) - Big Baby's DIN rail accepts up to 4 breakers (not included) - Breakers: 1-63A - Max. Wire - breakers 6 AWG - Dimensions (H/W/D) : 7.9 x 4.95 x 2.782" - Max. AC Voltage - 277VAC - Max. DC Voltage - 300VDC - Warranty - 5 yrs. - Listed by ETL for US & Canada - Made in the USA
