Product Summary

Goal Zero's Flip 10 USB battery pack is a convenient recharger for all your personal electronics. Small, lightweight, stylish, and best of all... works with solar. Yes, that means that like the other battery packs we sell here at Modern Outpost, the Goal Zero Flip 10 is able to charge itself from any USB source while it charges your device.

Product Description

Goal Zero's Flip 10 USB battery pack is a convenient recharger for all your personal electronics. Small, lightweight, stylish, and best of all... works with solar. Yes, that means that like the other battery packs we sell here at Modern Outpost, the Goal Zero Flip 10 is able to charge itself from any USB source while it charges your device.

Within every adventure exists the unknown. From unexpected storms to impromptu road trips, the Flip 10 Recharger gives you power for whatever the future holds. Take the Flip 10 on your next adventure, or simply use it as your back-up for times when your smartphone is under heavy use.

What can the Flip 10 Power?

This little battery pack holds a single charge for phones, fitness trackers and other small devices. USB rechargeable and Solar Ready™ for off-grid adventures.

Headlamp: 1-2 Recharges

POV Camera: 1-2 Recharges

Phone: 1 Recharge

Recharge from any USB port or USB solar panel
