Product Summary

The Goal Zero Light-A-Life Mini is a compact version of the Light-A-Life 350, and as a result, is one of our favourite LED camp, cabin, shed, & tent lights. This is a bright mini USB light pumping out 110 Lumens of warm-white light.

Product Description

The Goal Zero Light-A-Life Mini is a compact version of the Light-A-Life 350, and as a result, is one of our favourite LED camp, cabin, tent lights. This is a bright mini USB light pumping out 110 Lumens of warm-white light through a silicone diffuser, to provide a soft, even illumination. The Light-A-Life Mini is also Chainable so that

you can string as many as 4 lights together.

DISCONTINUED BY GOAL ZERO - FEB, 2021 Best alternative (and it is excellent), is the [TouchLight by Voltaic](#)]
