## Product Summary

A good idea for packing your Powerfilm rollable solar panel. Rigid tube protects your solar panels from being crushed while strapped to your backpack, or in your luggage. 4 inch diameter will fit several R-7 or R14 panels, and as many as two R28 panels. Also works with Brunton SolarRoll panels.

## Product Description

A good idea for packing your Powerfilm rollable solar panel. Rigid tube protects your solar panels from being crushed while strapped to your backpack, or in your luggage.

4 inch diameter will fit up to two R-7 or R14 panels, or single R21 or R28 panels. Also a good idea for use with Brunton SolarRoll panels.
