What is Rite In The Rain?

Rite in the Rain is a wood-based & recyclable paper. But unlike ordinary paper, it won't turn to mush when exposed to rain storms, heavy sweat, oil & grease, mud & grime, or even a laundry mishap!

Recyclable

In spite of Rite in the Rain's durability, it is totally recyclable as standard paper, which is untrue of synthetic, or poly coated papers. Simply recycle Rite in the Rain as you do other white or printed papers.

Post-Consumer Materials

The Rite In The Rain unique "Polydura" cover and reference card substrate contains post-consumer recycled materials and is recyclable. (Recycled milk, shampoo bottles, etc.)

Recycled Fibre

The wood fibres utilized for Rite in the Rain are purchased from FSC Certified sources. By doing this it insures the product is the most durable, while adhering to high environmental and social standards.
