Product Summary

Samlex PST series heavy-duty 120W pure sine inverter. Converts battery power to household AC. Pure Sinewave power means greatly reduced noise & distortion on computers, audio equipment, and video equipment. If you have sensitive electronics, go with a pure sine inverter.

Product Description

Samlex PST series 120W heavy-duty pure sine inverter. Converts battery power to household AC. Pure Sinewave power means greatly reduced noise & distortion on computers, audio equipment, and video equipment. If you have sensitive electronics, go with a pure sine inverter.

This high efficiency DC-AC inverter converts 12 Volts DC to 120 watts of pure sine-wave AC power at 120 Volts, 60 Hz. Product features a slim, low-profile design, quiet operation and a USB charging port for peripheral electronics. Electrical features include overload protection, low battery alarm / shut down, external, replaceable fuse and low idle power draw of less than 0.5 Amps.

Safety listed by ETL, this device is approved for use in hospitals and applications requiring UL60601 compliance. The unit comes with a cigarette lighter cord-set with plug.

Features...

Low-Profile Design

USB Charging Port: 5V, 500mA

Temperature controlled fan - runs quieter, reduces energy consumption

12V cigar plug adapter included

High output current surge

LED indicators for power and protection

Low battery alarm / shut down

Low idle power draw of less than 0.5 Amps

Specifications...

Input

13 VDC

Output

120 VDC

Watts

120

Outlets

1

Weight

1.0 (lb)

Weight

0.453 (kg)

Dimensions

4.13 x 7.44 x 1.2 (in)

Dimensions

105 x 189 x 30.5 (mm)

Warranty

2 Years (Canada/US)

Ideal For...

Service vehicles

Mobile Offices

Boats

Recreation Vehicles, Camping

Telecommunication

Field work / Construction sites

Solar power systems

Emergency backup power

Home electronics: TV, VCR, video games

Computers, printers
