### Product Summary

We found it difficult to describe this lantern in one sentence. That's because this lantern is also a flashlight. And this lantern is also a USB charger. Charge it from USB or the hand crank - it never needs batteries. Only slightly larger than a hockey puck, it expands from flashlight to lantern and throws enough light to fill a tent or small room. Great for camping or emergency prep!

## Product Description

We found it difficult to describe the Secur SP-1103 lantern in one sentence. That's because this lantern is also a flashlight. And this lantern is also a USB charger. Charge it from USB or the hand crank - it never needs batteries. Only slightly thicker than a hockey puck, it expands from flashlight to lantern and throws enough light to fill a tent or small room. Great for camping or emergency prep!
