Product Summary

The TPM2 Pole Mount for two 60/72 cell solar modules is a simple, straightforward solar panel mounting solution. Ideal for off-grid systems where roof attachments are simply not possible, or where solar exposure is optimized by placing the solar module array away from the building.

Product Description

The TPM2 Pole Mount for two 60/72 cell solar modules is a simple, straightforward solar panel mounting solution. Ideal for off-grid systems where roof attachments are simply not possible, or where solar exposure is optimized by placing the solar module array away from the building.

TPM2 Pole Mount Kit includes...

Rails Module attachments 3" Pipe Collar [Download the Pole Mount engineering details here](#)

Product Attributes

- Dimensions: 1 × 1 × 1 cm
- Weight: 19 kg
